Walsall Business Breakfast Club

Helping Walsall Companies get the most out of the area.

Walsall Business Breakfast Club together with Chamber Patron's Walsall College has launched a series of breakfast events aimed at helping Walsall businesses to get the most out of the local area. From April to December (with a summer rest for August) we will be highlighting topics that can really help businesses to get business. We will have speakers who will give us tips on advertising, on networking locally, on how to promote yourself and your business, and subjects covering the resources that are available locally.
