Following requests from yourselves our "Speed Networking" Lunch is back in Wolverhampton for a second chance in 2010!

This event is all about pure networking and therefore do remember to bring plenty of business cards with you for distribution. You will have one minute to speak to the person opposite you before moving on to the next person. Please ensure you inform each person regarding the main purpose of your business, your unique selling point and who your target audience is.

This Lunch is an ideal chance to make new contacts in a friendly and relaxed atmosphere and will consist of a working buffet. A delegate's list will be available for you to take away and make further contacts after the event. Arrival for delegates is 12noon for a 12.30pm start and the meeting will close at 2.00pm prompt, to allow attendees to return to a full afternoon's business.

Our hosts today are The Workspace, a community enterprise owned by All Saints Action Network. Following a £1.6 million refurbishment the centre offers meeting space near the city centre with excellent facilities and plenty of onsite car parking. Please book early to avoid disappointment!

No more than 2 delegates per company please.
