Stopping Your Profits Going up in Smoke!

Friday 1st October 2010

The Brewhouse Meeting Room at The Lamp Tavern

116 High Street, Dudley,

West Midlands DY1 1QT

12noon arrival – Finish at 2.00pm

£17.00 inc. Vat for members £34.00 inc. Vat for non-members

Our October Lunch is being held at a property of one of the last surviving family brewers in the Black Country. No fewer than five generations of the Batham's family have been involved in creating a legendary beer of the Black Country. The Brewhouse is a topical location for our subject in October. This working buffet lunch is an ideal chance to make new contacts in a friendly and relaxed atmosphere. Making new contacts has never been so important, so bring your business cards on the day for distribution.

We will hear a short and informative talk from The Dudley Stop Smoking Service on the services they offer which are FREE to businesses in the Dudley area. Businesses can make real financial savings by reducing absenteeism through illness relating to smoking. Raise productivity levels by reducing the impact of smoking breaks on working time while improving a poor corporate image of smokers outside the building. The service offers 1-1 and group interventions to employees who wish to stop smoking, and they also support businesses regarding smokefree issues. The FREE service can be accessed easily and is confidential in the approach.

Arrival is 12noon and the meeting will close at 2.00pm prompt, to allow attendees to return to a full afternoon's business.
