

Hi Everyone,

A very quick round up of some events that maybe of interest to you or your supply/customer network:-

On Tuesday June 9th the NB2B Centre are holding a Success with Social Media event. This is now one of the fastest growing networking/SEO links but without the right approach can be very time consuming. So to find out how you can get it right, go along to the event. Details are found at: www.nb2bc.co.uk

Obviously if you haven't got time to come along, then we are working on how to get the best out of these sites and so would be happy to discuss options with you. If anyone wants to link up with us on Facebook, then the web address to type in on the friend finder is sammy@sammyrose.net .

On Thursday June 18th Find It In Sandwell are hosting an event that explains business opportunities within their "Building Schools for the Future Project". Requirements range from major buildings work through to basic stationary needs and so it is understood that a wide range of business types could benefit from this initiative. Moreover Sandwell MBC are committed to selecting suppliers that are local; so if you are Sandwell or near Sandwell based, this is probably a good one for you. For more details go to www.finditinsandwell.co.uk and click on events.

Hot off the press

We have just been invited to re-sell some exciting new software to embed within web sites. This will offer companies the chance to give their web sites added dimension that will set them apart from the competition.

We are currently progressing the logistics of this programme and so hope to be able to give you formal details within our next newsletter.

Regards,
Sammy and the team

P.S. Apologies to those of you that it transpires have not been getting these updates. We are working on overcoming your SPAM filters or other barriers you may have which are preventing these getting through.

Also you are on our database because we have either worked with you, or met you through prospection or networking.

If you no longer wish to hear from us, then please tick this box and e mail back and we will remove you from our database accordingly.
